

TJ's GARDEN PRODUCTS

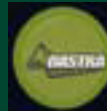

TJ's Garden Products stock and supply high grade timber and timber products to the fencing and garden leisure trade.

This catalogue has been produced to show you the products that we can supply.

Our timber products have been produced from sustainable, responsibly managed forests.

We aim to provide products that are durable and value for money.

STOCKISTS OF BURBIDGE AND DASTRA

Relax in the privacy of your garden...

TJ's provide an excellent range of European Panels which are beautifully designed and built to last.
